**Date:** Friday, October 25, 2013 12:28:20 PM

---

To update everyone regarding the Area 4 recon activities, we have spent three days this week locating erosion pins with fair success. The bathymetric survey is scheduled to begin next week with the contractor getting to the Site on Sunday and data gathering likely to begin on Monday. If any of you have plans to visit during the survey work, give me a call ahead of time and I will inquire if we can (logistically) accommodate you on the contractor's pontoon boat. Thank you.

**Subject:** Area 4 Kalamazoo River- Planned recon activities

AMEC is planning to conduct some initial recon tasks in Area 4 beginning in mid October. Specifically, we will be installing staff gauges and locating/re-installing erosion pins the week of October 21<sup>st</sup>. Beginning the week of October 28, we will be conducting a bathymetric survey and surveying in the erosion pins.

Please contact us with any questions or comments regarding the planned activities.
